BENVENUTI ALLA FANZINE DI TFT: COLOSSEO K.O.!

I tornei di lotta sono il massimo: hanno prestigio, pomposità e potenza! Riuniscono il meglio del meglio, riempiendo d'orgoglio e determinazione tanto i contendenti quanto il pubblico. È con questo spirito che vogliamo celebrare il nostro set più “anime” di sempre mettendo in mostra la forza e l'artisticità senza paragoni della community di TFT.

L'idea di una fanzine ci è venuta mentre cercavamo l'ispirazione tra gli artisti della community. Dopo molte discussioni e altrettanti monologhi interiori, abbiamo deciso che il modo migliore di onorare #ArtofTFT era creare uno spazio che racchiudesse ogni genere di opera creativa della community e degli artisti professionisti in giro per il mondo.

Vi abbiamo sfidato a tirare fuori la vostra creatività per Colosseo K.O., e voi ci avete mandati al tappeto con dei capolavori a 3 stelle. Grazie del vostro impegno! Speriamo che leggere questa fanzine vi piacerà tanto quanto a noi è piaciuto realizzarla.

Continuate a superare i limiti, credendo in voi stessi e nel potere dell'amicizia!

E ora... spazio all'arte!

Il team di Colosseo K.O.
